Respected Sir,

The Vidyalaya has to obtain extension of its affiliation with CBSE (Central Board of Secondary Education) for which fees has already been deposited. The CBSE demands for Fire Safety Certificate, Water Safety Certificate & Building Safety Certificate etc. to extend the affiliation.

Therefore, you are requested to get us available the copies of land documents, permission of building construction and approved drawing relating to KV NIT Silchar and help us out to complete the process of extension of CBSE application at the earliest.

Respected Sir,

I have the honour to submit the following points for kind and favourable consideration: -

- 1) That sir, Kendriya Vidyalaya NIT Silchar is a Vidyalaya under Institute of Higher Learning category where the Vidyalaya is situated in NIT Silchar Campus.
- 2) We have requested the Director NIT Silchar for certificates like land document, building plan & building drawing etc. to apply for the fire safety certificate from Department of Disaster Management (Fire) Govt. of Assam, but we are yet to receive the same from their end.

It is therefore requested to kindly give us some more time to obtain the required certificate.

This is submitted for your kind perusal.

Thanking you in anticipation,

Yours faithfully
